November 3, 2000,

This letter serves as a 30 day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 (DSHEA), that Country Life® is using the following statement on the label of Dairy-Zyme Caps (dietary ingredients: *Aspergillus niger*, *Aspergillus oryzae*, *Chlorella pyrenoidosa*). This statement is accompanied by the required disclaimer. To the best of my knowledge, the information contained in this notice is complete and accurate.

**Green Life-Zyme combines chlorella with natural active plant enzymes to support the digestive system and help with digestive discomfort.**

Sincerely,

Morag Thorsen
